

# ORIGINAL 1944 SHEPHERD'S ROD STUDY CHARTS

—RESTORED AND READY TO GO INTO THE FIELD—

- Introducing exact digital reproductions of the original 1944 *Shepherd's Rod* study charts available for the first time since old Mt. Carmel Center was sold off.
- Own a piece of *Rod* history that serves as a powerful witnessing and study aid without compare.
- To view a photo gallery of the entire set of 18 charts, please visit the following link: <http://shepherds-rod-speaks.org/shepherds-rod-charts/>

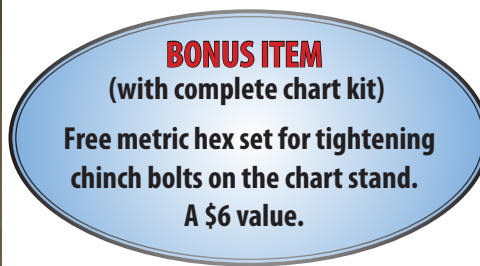

- Charts come with protective vinyl covers which also serve to keep them disclosed from view until the formal study begins.
- A sturdy German made nickel coated steel stand extends up to 5 feet (60 in.) that allows for the presenter to stand in front of larger groups.

- Charts are printed on a choice of two highly durable banner media, Tyvek or polypropylene, both of which are water and tear resistant.
- Charts come with a versatile 4 inch carrying/ mailing tube with a detachable shoulder strap. All contents fit neatly inside.
