Subject: Pastor Fredrick Russell and Elder William L. Winston

Ye are the LIGHT of the world. A city that is set on a hill cannot be hid.-
Matthew 5:14

Elder Ted Wilson, President
General Conference of Seventh-day Adventists
12501 Old Columbia Pike
Silver Spring, MD 20904

Elder Wilson,
I have been a part of several Adventist Facebook groups where people are concerned about the direction that the Church is heading. In these groups I have talked to people that are either Light Bearers, Light Blenders or Light Blockers. I understand that you have an awesome responsibility of being the spiritual leader of the World Church however I would be less of a member less of a Light Bearer if I did not inform you of the spiritual compromise that is taking place in one of our local churches. Some would say its only one church but one church is one church to many. One member being led into captivity is one member to many our house must be in order so that we can evangelize but what is happening is this local church is calling people out of Babylon and bringing them into Babylon calling people out of error and bringing them into error calling people out of darkness and bringing them into darkness.

When you took office in July 2010 you gave us the following warning and I posted it on my Facebook profile and all of the discussion groups I belong to including the group We Support Elder Ted Wilson:

“Stay away from non-biblical spiritual disciplines or methods of spiritual formation that are rooted in mysticism such as contemplative prayer, centering prayer, and the emerging church movement in which they are promoted.” Go Forward 7/3/2010

Unfortunately there is ONE Pastor in particular who is openly defying your warning to us. If it were one or two instances done in ignorance that would be one thing but THIS Pastor is a habitual offender. I know you remember this repeat offender President Wilson because you had to step in to prevent a major compromise almost a year ago and that was his insistence to invite TD Jakes someone who has openly mocked the Church and the Sabbath to speak before our Pastors at the evangelism council in December of 2011. You guessed it its no surprise to you you know him well -its none other than Pastor Fredrick Russell, current pastor of the Atlanta Berean SDA Church Yes Pastor Russell is at it again he is making it his practice of mixing truth and error. This time Pastor Russell has an enabler, someone who is supporting his spiritual nonsense and that is South Atlantic Conference President William L. Winston.

I am writing you this letter with a heavy heart I know it hurts I know you thought that the cancellation of the invitation of TD Jakes there would be some peace you had now way of knowing that there would be more compromise more defiance on the part of Elder Russell I do not take writing you lightly but Pastor Russells spiritual addiction to Babylon gave me no other choice

Since his installment at Berean in February of this year, Elder Russell with the support of Elder Winston has openly demonstrated his love of Babylonian practices and authors but don't take my word for it look at HIS words and actions

Pastor Russell has secretly downplayed the Sabbath by saying "the crowd comes to church on Sabbath but the Praying folk come to church on Wednesday night."

Under Pastor Russell's leadership PEOPLE ARE SPEAKING IN TONGUES which should be no surprise because Pastor Russell's idol TD Jakes speaks in tongues. His teaching of the non Biblical practice of group praying out loud set the stage for confusion and SPEAKING IN TONGUES and neither Elder Russell the associate pastors, elders deacons bible workers or anyone in leadership will go to the TONGUE SPEAKERS and say TONGUE SPEAKING is not a part of the teachings of this church.

Pastor Russell told the assistant pastors to tell the congregation at every service to wave their tithe envelopes in the air where did Pastor Russell get this practice from he didn't get it from the Bible, church manual and

certainly not the Spirit of Prophecy no he got it from first day Babylonian Pastor John Hagee.

On Sabbath March 11 2012 Elder Russell opened the floodgates of Babylon by "imparting" the Holy Spirit to his assistant pastors and they in turned passed it out to the members. This gave the impression that only he had the Holy Spirit to give which conflicts with the teachings of our church.

Here are HIS words from the weekly newsletter in which he encourages the congregation to BUY books that were written by first day authors NOT the Spirit of Prophecy and both books promote the non Biblical practices of CONTEMPLATIVE PRAYER and GROUP PRAYING OUT LOUD respectively. Elder Winston allowed these non Biblical books to go on the shelves of our books store. Elder Winston had full knowledge of Pastor Russells desire to bring TD Jakes before our pastors Elder Winston should have researched the books given Elder Russell need for compromise and error:

Berean eNewsletter-Fri, March 30, 2012 6:35:52 PM

"On Sabbath, April 14, 2012, I will begin a new four part teaching series that I'm calling: "Break Through Prayer." I truly believe that when we come to understand this thing called prayer, our connection with God becomes more vital and more rewarding than ever. I will be teaching this series in both services. There are two books I would like to suggest that you get in preparation for the series and for your own spiritual growth:"Secrets of the Secret Place" by Bob Sorge and "The Power of Crying Out" by Bill Gothard. Both books will bless your life and can be purchased from the ABC Christian Book Store across the street from the church at the South Atlantic Conference office. We have stocked a good supply of both books at the store."

Here are HIS words about his so call teaching series which is based on the book "Purpose Driven Life" by Rick Warren another Babylonian Author who said that those who teach end time prophesy is not fit for the kingdom:

Berean eNewsletter April 13, 2012 Fri, April 13, 2012 8:10:42 PM

"The DVD's of our last teaching series "On Purpose Living" are now ready. The final edits were completed a few days ago to insure a high quality experience when viewed. You can purchase the DVD's starting

Wednesday evening after prayer meeting. The entire four sermon teaching series is on sale for \$30.00. You can use this series for your own growth, as well as, to share with those whom you wish to influence for Christ."

The fact that any of one of these things ALONE is happening in a church as large as Atlanta Berean should cause all of us to fall to our knees and seek Him and beg Him for mercy and protection in these last and evil days but ALL of these things are happening in ONE church under ONE Enabling Conference President and ONE compromising First Day Pastor on the SDA Payroll.

President Wilson since July 2010 you have a Pastor of a 3500 member church in the large city of Atlanta who has made several attempts to compromise the church by ignoring the Spirit of Prophecy inviting TD Jakes. teaching and promoting non Biblical practices non SDA authors one of which Rick Warren like TD Jakes have openly criticized the teachings of our church and Berean should be a beacon of light but Elder Russell and Elder Winston are making Berean a blender of light.

Elder Russell needs to decide once and for all if he wants to be a First Day Pastor or a SDA Pastor, a light bearer or a light blender being an Adventist Pastor is not an option. Elder Winston needs to make a spiritual decision as well because he is Elder Russell's compromise enabler and a Light blocker because of his support of Russell's willful desire to lead the flock at Berean into darkness and keep them there.

It is my prayer that both Pastor Russell the Light Blender and Elder Winston the Light Blocker be required to take an oath to uphold the teachings of the Church to refrain from bringing in Babylonian preachers and books in our midst to ensure that the Bible and the Spirit of Prophecy heard from the pulpit NOT the Babylonian Authors that Pastor Russell loves.

Other worldly practices like SPEAKING IN TONGUES, asking the audience to hold up their tithe envelopes and passing out the Holy Spirit need to stop today. Both Elder Winston and Pastor Russell are responsible for the Blending and Blocking of the Light of Jesus. Jesus is the Light He is coming soon and He is not pleased with Elder Winston and Pastor Russell's spiritual foolishness.

Elder Wilson I am going to share this letter with the other light bearers in the Facebook groups I belong to because they need to know that all of

this has been brought to your attention that someone somewhere is concerned enough about the spiritual integrity of the Church to contact another Light Bearer like you. I would have preferred to handle things on a local level but as you can see both Elder Winston and Elder Russell are in need of spiritual guidance and enLIGHTment themselves and the leadership wont stop the TONGUE SPEAKING so they cant stop all of the compromise.

Our fellow light bearers need to have a copy of this letter because many of them need to have this information to help them identify light blenders and blockers at their local churches and they too need to bring pastors that are leading the flock astray up for correction. It will be difficult in fact it will be almost impossible to find another Light Blender and light blocker like Pastor Russell and Elder Winston but if the light bearers see the slightest error they need to address right away before it gets out of control.

Elder Wilson I want to leave you with another quote of yours that I posted on Facebook:

Let no one, local church leader, pastor, teacher, administrator or anyone turn you away from that complete trust in the Spirit of Prophecy which points to the Bible as God's authoritative Word !", No Turning Back, 12/26/10

Pastor Fredrick Russell & Elder William L. Winston through there love and partnership with Babylon are working hard to turn thousands away from the Spirit of Prophecy and the doctrine of the SDA church. We should not we cannot we must not let this happen together Light Bearers like you and I and the power of God can work together to stop Light Benders and Blockers like them and continue to shine the light of Jesus into this dark world.

In addition to awaiting you prompt attention to this serious matter I am awaiting His Soon Return.

Your Fellow Light Bearer,
Ann Hughes.
