The content for this scripture index was taken from the original writings of the late Victor T. Houteff in a series of books, tracts, and letters known as the known *The Shepherd's Rod* message published from 1930 to 1954. It does not include citations to any unauthorized publications after his death in February 1955. Most notably, the Symbolic Codes Vol. 10, No. 7 to Vol. 13, Nos. 11, 12 published posthumously by Florence Houteff and often referred to as the "New Codes". Thus, for the first time an unadulterated scripture index to the original Shepherd's Rod publications is now available for all serious students and researchers of the message.
